Laptop Requirements not met

Don't worry, we got you covered!!

If the Approved Dell laptop(s) still does not meet your specific requirement(s)

Please click below to request for a quote.

Please ensure you provide full specifications to allow the team to get appropriate quote for you.

[Quote request](#)

Office Desktops

All Desktop requests will require UNSW IT to obtain quote(s) from Dell. It is your responsibility to carefully review the price and the spec of the device before proceeding with the purchase.

As they are made to order (custom config) devices, delivery timeframes will differ, so allow maximum time to place order.

All desktops can be customized to meet your specific requirements.

For all quote requests, please complete and submit the IT equipment form and specify your requirements in Q10 on the form.

Note: By default, all devices have Win 11 OS, however, should you require Linux OS, then please advise when submitting the IT equipment form.

Dell Desktop Model	Specs

Important:

1. Please complete and submit the [IT equipment form](#) to complete your purchase.
2. Speak to your nominated manager you entered in the form to confirm that they have received the approval request in their outlook email.
3. Once your request is approved by your nominated manager, you will receive an automated email with the ticket number.
4. Keep the ticket number so you can follow up on your order request with IT Service Centre.

Note: If you do not get any ticket number, there is high chance either a) email address for the manager on the form was incorrect or b) your manager has not approved your purchase request.
