## Term 3 2023 Commencing Students

The Bachelor of Fine Arts/Education is a four-year program for students intending to become secondary school teachers.

### Specialisations:

- A specialisation in [Animation and Moving Image](#) enables students to pursue a **teaching area in Graphics and Multimedia Technology**, as well as a **first teaching area in Visual Arts** – see page 2-3
- A specialisation in [Visual Arts](#) enables students to pursue a teaching area in **Visual Arts**, with an option to complete a **second teaching area in Graphics and Multimedia Technology** – see page 4-5
- A specialisation in [Music, Music Pedagogy, Music Sonic Arts or Music Creative Practice](#) enables students to pursue a **teaching area in Music** – see pages 6-9

Students complete the Fine Arts component (96uoc) and the Education component (96uoc).

The courses that the student completes as part of their studio sequences, in the Fine Arts component, will form the 'subject content' for their chosen teaching area(s). For this reason, students must choose specific combinations of studio sequences to meet NESA accreditation requirements.

**Please refer to the relative tables for information on the appropriate course sequences for your chosen teaching area(s).**

It's very important to refer to the [2023 Online Handbook](#) for your program requirements, plus any additional notes on accreditation. The sample program on the following page shows you an example of how you might plan your enrolment. This should be adapted based on the availability and prerequisites of courses for your Fine Arts component.
