

Module 6. Harnessing Lived Experiences

Tools to ensure the inclusion of lived experience of the majority of refugees

Gaining access to diverse groups

Groups which are not usually consulted about their opinions and ideas in this site	How can we contact them and invite them to engage with us	What support might they need to respond positively. (e.g. childcare, interpreters, transport, training about meeting procedures etc)
Members of LGBTQI Communities		
Older People		
People with a physical disability		
People with an intellectual disability		
Single mothers		
Others you can name
