Terminology	Definition
Integrated First Year Courses	Students must take 48 UOC of the integrated first year courses.
Commerce Major	Major Requirements: 48 UOC in an approved disciplinary stream containing at least 18 UOC at level 3. Note that the 48 UOC includes one course from the Integrated First Year. This means that students will complete 42 UOC in specified disciplinary courses outside the core.
Business School Electives	Students must complete Business School electives to complete a minimum of 96UOC of courses within the Business School.
myBCom	Students need to complete three non-credit bearing myBCom professional development elements including myBCom Blueprint (COMM0999), myBCom First Year Portfolio (COMM1999) and myBCom Graduation Portfolio (COMM3999)
Mandatory WIL course	<p>Students must complete a 6 UOC Work Integrated Learning (WIL) course within their program. This course can count as a Business School elective or where applicable, can count as a Commerce major elective or Final Year Synthesis or General Education subject.</p> <p>Note: Students in Commerce Double Degrees have the option of meeting the mandatory WIL requirement in the non-Commerce component of the Double Degree</p> <p>Please note that not all Computer Science courses may meet WIL requirements, please check the course attributes of the course in the handbook to confirm whether the course is "Work Integrated Learning"</p>
Final Year Synthesis	<p>Students must complete either a 6 UOC Synthesis of Learning Course, or a 0 UOC Synthesis Experience. FYS would only be recognised if the course was completed within the remaining 48 UOC in the BCom component.</p> <p>Students who complete a Synthesis course that is also a Work Integrated Learning course within a major, will meet a major elective, WIL and Synthesis requirement.</p>
Level 1 limit	The maximum level one limit in this degree is 60UOC (10 courses)

* Where applicable, WIL and/or Synthesis may be met within the Commerce Major (please see major handbook page). FYS would only be recognised if the course was completed within the remaining 48 UOC in the BCom component.

(Suggested) Students are recommended to complete a Synthesis course that is also a Work Integrated Learning course within a major. This will fulfill a major elective, WIL, and Synthesis requirement.

Student can also fulfill the WIL requirement in the non-Commerce component of the dual degree but student will still need to complete Business School Electives to complete at least 96UOC of Business School courses

Note:

- Students may complete up to a maximum of 60UOC of level 1 courses.
- If student completes MATH1011, MATH1031, MATH1131, MATH1141 or MATH1151 under Computer Science then student cannot count ECON1202 under Commerce. If ECON1202 is required in the chosen Commerce major, then replace ECON1202 with another major elective.
