Program and Course Terminology

Please refer to the 2025 Handbook for the program and major rules: https://www.handbook.unsw.edu.au/undergraduate/programs/2025/3586

Terminology	Definition
Level 1 Actuarial Studies Core Courses	Students must complete 48UOC (8 courses) of level 1 courses.
Level 2 Actuarial Studies Core Courses	Students must complete 30UOC (5 courses) of Level 2/3 Actuarial Studies Core Courses. Students may replace ACTL2131 with the two courses MATH2901 Higher Theory of Statistics and MATH2931 Higher Linear Models. If students make this replacement, MATH2901 will count towards ACTL2131, and MATH2931 will be counted towards a major where this course is required or as a free elective.
Level 3 Actuarial Studies Elective Courses	Students must complete 18UOC (3 courses) of Actuarial Studies Level 3 Core Courses.
Optional Actuarial Studies Majors	Students may wish to complete an optional Actuarial Studies major (ACTLE1, MATHE1). If students do not complete an optional Actuarial Studies major, students will complete program with a default major by completing program requirements. Note: Students cannot complete both a default major and an optional Actuarial Studies major. If a student chooses to complete an additional Business major/minor, student may need to complete additional UOC (exceed 144 UOC).
Free Electives	Free Electives account for 36UOC (6 courses) to satisfy the degree requirement of 144UOC (24 courses). These courses may be taken from the Business School or other Faculties. GEN coded courses cannot be counted as free electives. You may choose to use these Free Electives and Business School Electives to complete a second Business major or minor. Free Elective courses can also be used to complete an optional approved minor from other faculties.
General Education	Account for 12UOC (2 courses) and are to be taken outside the UNSW Business School. Please note that students enrolled in programs within the UNSW Business School cannot take General Education courses offered by the UNSW Business School (i.e., GENC code). These restrictions also apply to the following courses: GENL2021 An Introduction to the Australian Legal System, GENL2032 Cyberspace Law 2.0.
Maximum Majors/Minors	Students may complete up to 2 majors or 1 major and 1 minor within their program with the Default Actuarial Studies major. E.g., Default Actuarial Studies major and Accounting major, or Default Actuarial Studies major and Finance minor. Note: Students cannot complete both the default major and an Actuarial Studies optional major. If a student chooses to complete an additional Business major/minor, student may need to complete additional UOC (exceed 144 UOC).
Level 1 limit	The maximum level one limit in this degree is 60UOC (10 courses), excluding General Education courses.
Overall Program UOC	Students must complete a minimum 144 UOC (24 courses) across program requirements.
