

UNSW Risk & Actuarial Industry Workshop

DATE Monday 6 – Tuesday 7 December 2021

VENUE Online via Microsoft Teams

SUMMARY The “UNSW Risk and Actuarial Industry Workshop” will bring together industry experts and leading academics to discuss current and emerging topics in risk, actuarial science, and data analytics. The workshop aims to develop existing and new partnerships between the UNSW School of Risk and Actuarial Studies and industry and explore opportunities for joint research and education initiatives.
