# Co-op Scholarship Program

## What is Co-op?

A strategic initiative between industry and the University to attract, train and develop the best young professionals.

### Early access to the nation's best & brightest

-  Recruitment
-  Networking & Mentoring
-  Leadership Training
-  Industry Experience
-  Professional Development
-  Financial Support

### The role of a sponsor:

- Provide a \$22,000\* p.a. scholarship (4 years), invoiced annually;
- Involvement in scholar selection;
- 3 highly challenging industry training experiences in your organisation;
- Share feedback on Program and academic course content;
- Participate in specific tailored recruitment functions and professional development training for Co-op scholars.

### The benefits for sponsors include:

- Early access to exceptional students with excellent technical and soft skills, who can be directly recruited at the end of their Program;
- Seeing some of these students at work in your company for up to 18 months full-time (no additional cost, no permanent head count);
- Enhancing the education and professional development of the industry's talent pool;
- Raising your organisation's profile, building and strengthening networks/partnerships with UNSW;
- Engaging with the University as a VIP industry partner at various levels;
- Opportunity in some programs to sponsor 5th year Honours students for an industry-linked thesis.

Students are selected by panels of industry sponsors and UNSW staff on the basis of industry awareness, academic excellence, demonstrated leadership, communication skills and motivation.
