

Educational Outreach

Years 9 - 12

2025

At UNSW, we are committed to student equity and improving educational outcomes for students underrepresented in higher education.

Our goal of widening access and diversifying the student population through the Gateway Admission Pathway is making steady progress with 19% of our undergraduate cohort coming from under-represented backgrounds. A large factor in the success of our programs comes from the holistic approach we take in supporting students from pre-tertiary outreach through to transition to university and graduate success.

While our pathway provides a small proportion of students with an early offer to UNSW, we are unlike other early offer admission schemes because our program supports success in the HSC and all offers are conditional on students attaining an ATAR. Through our academic enrichment program our key message to students is that success in the HSC sets them up for success in their first year of university.

The UNSW Gateway educational outreach program also extends students' interest in their own learning by linking their values to career choices and focusing on higher-order thinking, metacognition, critical analysis and literacy - all essential for post-school success. This unique set of curriculum-linked learning experiences has an embedded focus on leadership and self-efficacy. It is interactive, experiential and uses innovative technologies to explore the unique context of studying at UNSW.

UNSW ranks first in Australia for employability, meaning students who enter through the Gateway Admission Pathway gain access to expanded career opportunities after they graduate.

We are excited about our UNSW Gateway Admission Pathway and Program offering for 2025 and we look forward to meeting with you and welcoming your staff and students on campus.

Mary Teague

Director, Access, Equity & Inclusion
Division of Equity Diversity & Inclusion
UNSW Sydney

Student life cycle

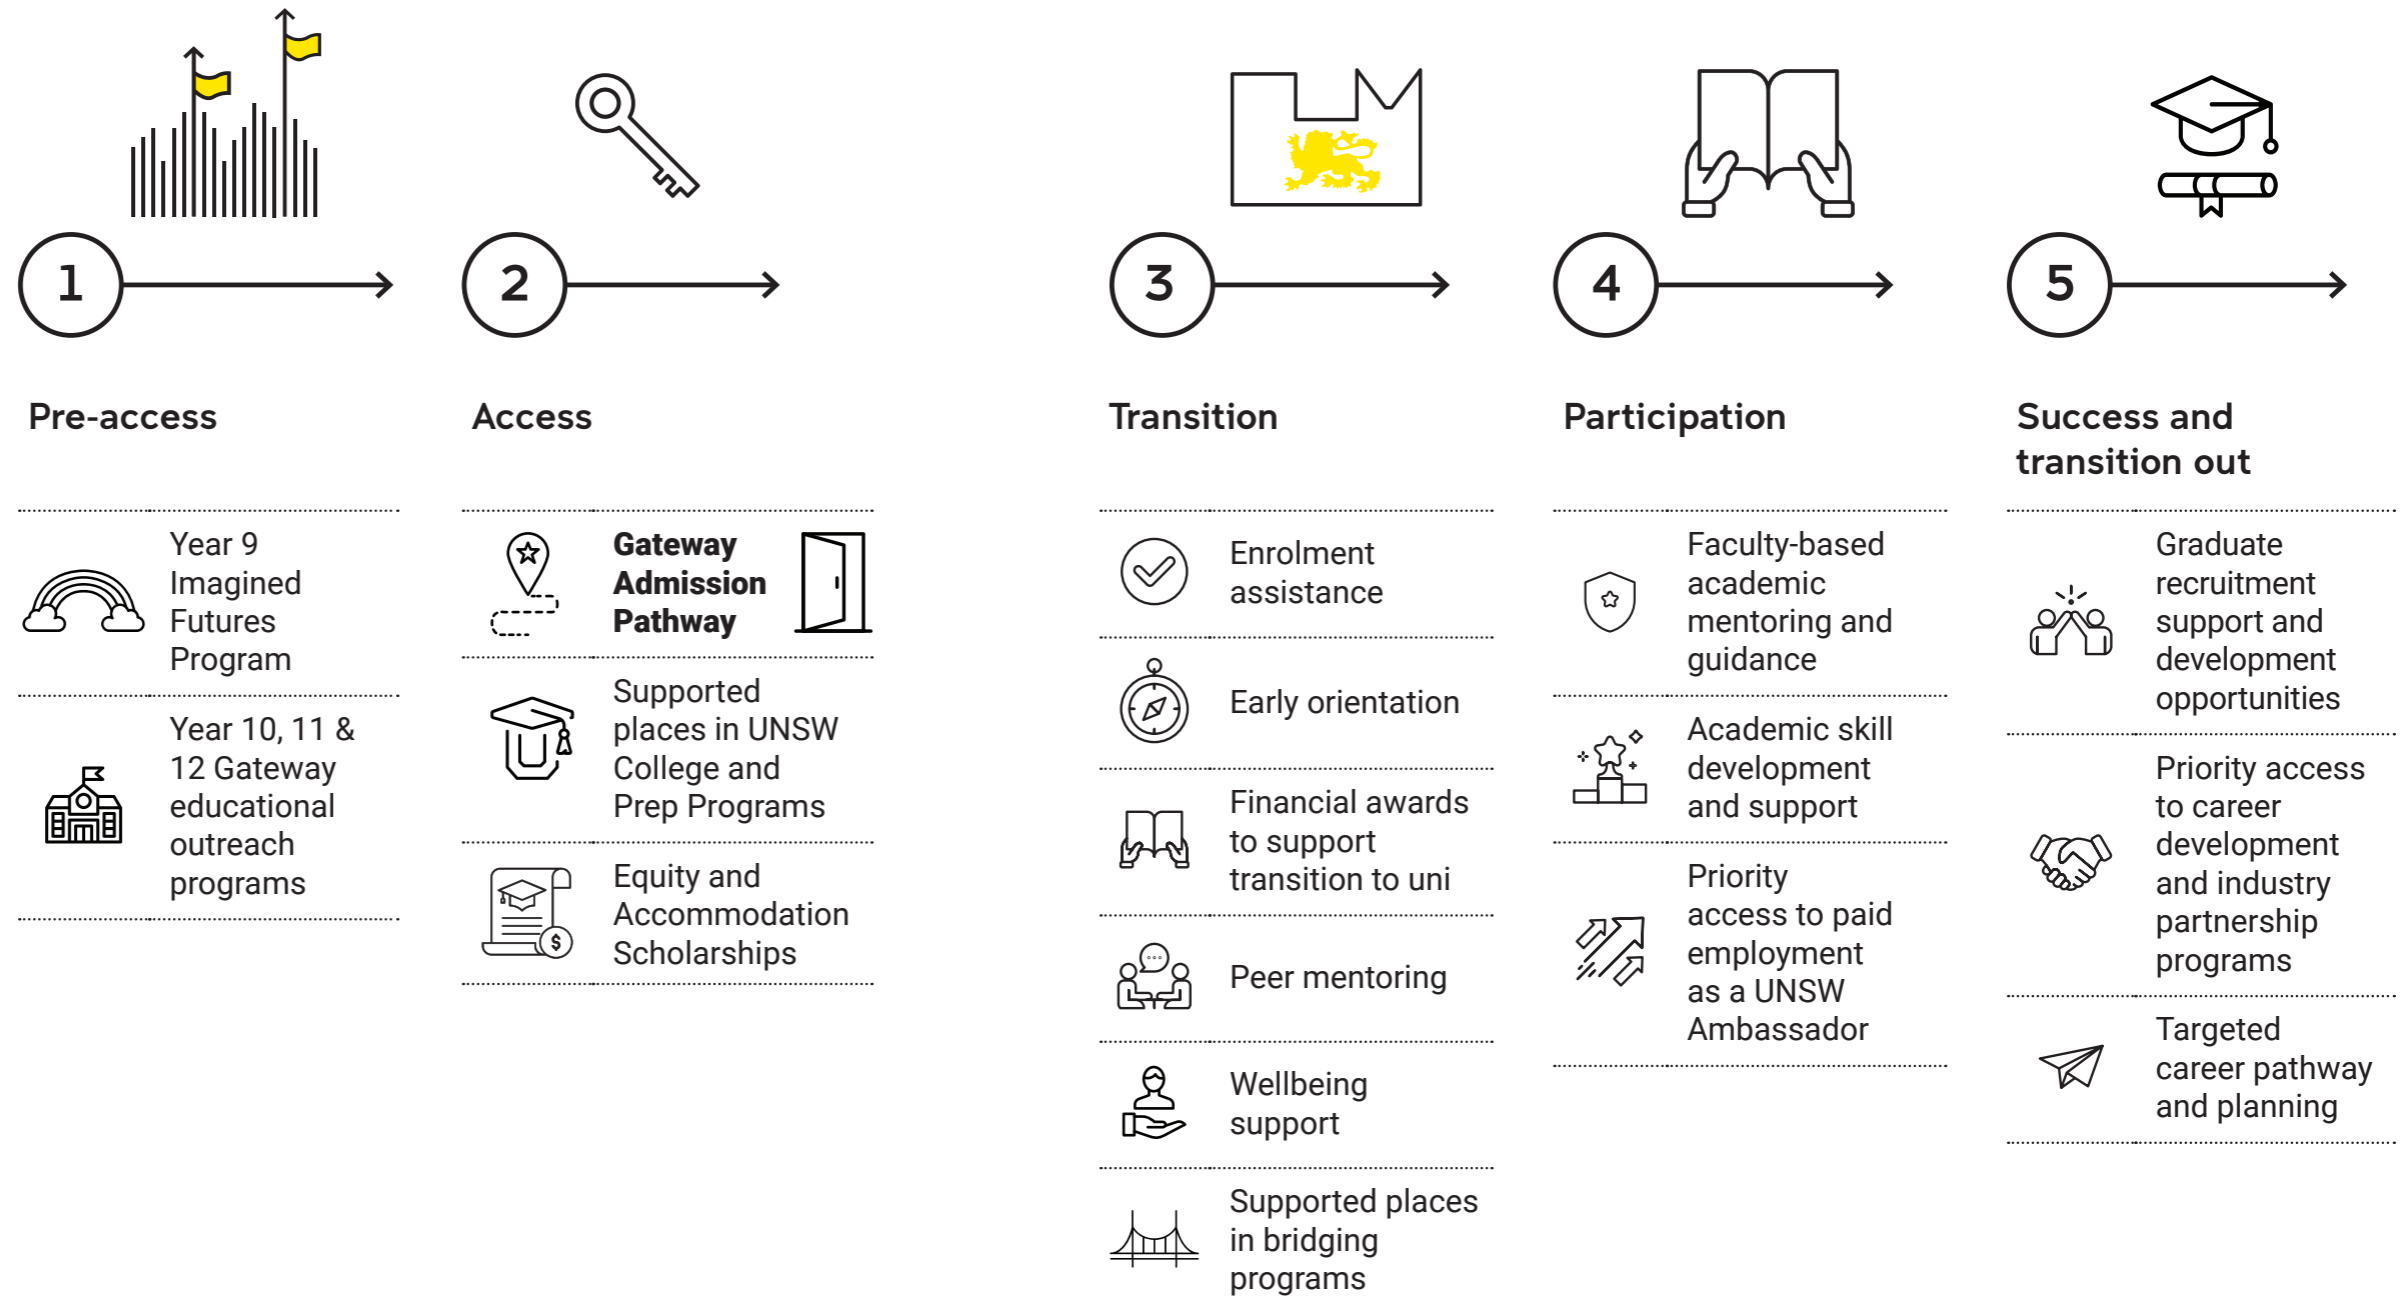

Improving access and support across the student life cycle

"I'd describe Gateway as my safety net, and that applies to most aspects of uni life. Financial support, social support and general academic support during high school and uni if you need it."

Roba Goreishi, Auburn Girls High School
Bachelor of Economics/Science (Advanced Mathematics) (Honours)

UNSW takes a holistic approach in supporting students who are underrepresented in higher education to access and succeed at university.

Theory of change

The UNSW Gateway Program falls within the pre-access and access phase of the student lifecycle and is underpinned by a tailored theory of change. This theory of change articulates the impact we intend to have and how we aim to have that impact.

THE MAP

Improving students' understanding of university to aid informed decision-making about post-school options.

THE COMPASS

Building students' learner identity and confidence to successfully navigate their educational journey.

THE KEY

Enhancing students' academic attainment and reducing barriers to entry for expanded post-school study options.

THE GUIDE

Providing students with trusted information from current university students from equity backgrounds.

Students Build Educational Capacity

- Students develop their understanding of future possibilities and begin to map out their path from school to tertiary education and beyond
- Students develop an understanding of how to use their learning strengths to navigate their education journey
- Students build the skills to enhance their academic attainment

Students Apply

- Students apply their knowledge and skills to achieve academically
- Students make informed decisions about their education futures which suit their strengths, interests and goals
- Students apply through the Gateway Admission Pathway and successfully transition to university

Impact

- Students from underrepresented backgrounds have increased access to UNSW and are set up to succeed

Student journey

Year	Program	Description	Location	For whom
Year 12	Gateway	Students creatively consider their passions, strengths, and hopes for the future.	In-school	Students on ATAR pathway
	Gateway	Students prepare for the HSC, access personalised mentoring, and academic skill-enhancing workshops.	Online	Students on ATAR pathway
	Gateway		On-campus	Students on ATAR pathway
Year 11	Leaders	Students identify their leadership strengths and harness these to make an impact in their schools and communities.	On-campus	Emerging leaders
	Gateway	Students reflect on their strengths and interests to help envision their futures.	In-school	Students on ATAR Pathway
	Gateway	Students explore UNSW degrees, participate in academic masterclasses, and are immersed in the vibrant UNSW community.	On-campus	Students on ATAR pathway
	Gateway		Online	Students on ATAR pathway
Year 10	Gateway	Students craft and share goals for their futures, develop their communication skills, and explore degrees and industries through conversations with alumni.	On-campus	Motivated students considering post-school learning
	Gateway	Students discover how personal values influence decision-making and create pathways to future careers and areas of study.	In-school	Motivated students considering post-school learning
Year 9	Imagined Futures	University Experience Day.	On-campus	Whole cohort in select metro schools
	Imagined Futures	University Ambassador led in-school workshops & teacher-led lessons.	In -school	Whole cohort in select metro schools

DEVELOPED BY

Support for students when they enrol:

Scholarships and Awards, Start@UNSW Program, Uni Ready Peer and Academic Support

Our support for students goes beyond getting into university. Students who come to UNSW through the Gateway Admission Pathway are prioritised for UNSW Equity and Accommodation scholarships and access to the Start@UNSW program to support their transition to university. They also have access to peer mentoring, academic support for first year subjects, faculty-based textbook schemes and are prioritised for internship opportunities and employment as University Ambassadors.

Gateway Admission Pathway

We know that the ATAR alone is not the only measure of students' academic potential or success at university. The Gateway Admission Pathway is an alternative entry to UNSW for eligible Year 12 students which provides early entry or a significantly lower ATAR entry requirement for a range of degrees.

Who is eligible?

To be eligible for the Gateway Admission Pathway, students must:

- be an Australian resident
- be completing an Australian Year 12 qualification in the year of application
- attend a Gateway school or live in a low-socioeconomic area based on IRSAD and IEO indexes of SEIFA.

How does it work?

Students apply through the Gateway portal by submitting a written personal statement that answers three questions about themselves. The applications are assessed based on students' personal statements and Year 11 results. Successful students will receive either an early offer or early conditional offer for their chosen UNSW degree.

What is the difference between an early offer and early conditional offer?

Early offers for UNSW degrees are made in Round 1 only and require students to complete the HSC and attain an ATAR (regardless of the result).

Early conditional offers require students to complete the HSC and achieve the Gateway Adjusted ATAR for their chosen UNSW degree.

The Gateway Adjusted ATARs provide students with a significantly lower ATAR than the lowest selection rank.

When do applications close and when are offers released?

In 2025, there will be two offer rounds for the Gateway Admission Pathway:

Round 1:

Applications open: April 2025
Applications close: July 2025
Offers released: September 2025

Round 2

Applications open: September 2025
Applications close: November 2025
Offers released: December 2025

Firm offers, post ATAR release:
December 2025

Please check out our website in early 2025 when specific dates are released.

Ongoing support

Students who come to UNSW through the Gateway Admission Pathway are prioritised for scholarships and receive exclusive access to ongoing academic and transition support.

Complementary outreach opportunities at UNSW Sydney

Students can access further opportunities through the UNSW Future Students team that complement the UNSW Gateway educational outreach programs. Years 10 – 12 can participate in on-campus faculty workshops, campus tours, degree information sessions in-school and online.

"I'm a Gateway Ambassador and I love it. I worked on the Year 11 and 12 programs this year and found it very rewarding. I understand where they are coming from and I'm hearing similar questions to the ones I had at the same age."

Alofainamaillelagi Nickel,
Good Samaritan Catholic College, Hinchinbrook, Bachelor of Mechatronics and Bachelor of Biomedical Engineering

Year 12 Gateway Program

Delivered:

In-school – Term 2, weeks 2-8
OpenLearning resources – from Term 2, week 2
Online program – Term 2, week 9
On-campus – First week of July school holidays

Year
12

The Year 12 Gateway Program gives students exclusive access to academic resources, workshops and support as they complete their final year of high school. Students will also receive extra support with their application to UNSW via the Gateway Admission Pathway.

Year
11

In-school Workshop

Delivered Term 2, weeks 2-8

The in-school component of the program is for Year 12 students on an ATAR pathway. Students engage in meaningful conversations with University Ambassadors and one another that explore their passions, learning strengths and hopes for the future. Students learn about the content and benefits of the Year 12 Gateway Program and Gateway Admission Pathway, and how it can support them towards their desired futures.

Year
10

Year
9

OpenLearning resources

Available from Term 2, week 2

Students gain access to a suite of detailed, interactive resources via OpenLearning that provide subject-specific academic enrichment, opportunities to explore faculties and degrees, and support and advice about the transition to university. The OpenLearning site is co-designed by current students who are available throughout the program for personalised advice, insights and responses to questions.

“I definitely wouldn’t be here at UNSW studying Medicine without the Gateway program and pathway. I would have had to take a gap year and reapply for Medicine.”

Haya Yousif, Casula High School
Bachelor of Medical Studies/
Doctor of Medicine

Online Program

Delivered Term 2, week 9

During the online program, students will prepare for the HSC through subject-specific exam practice and workshops led by experienced HSC teachers and markers. Students will also be supported to write their personal statement, a requirement for their Gateway Admission Pathway application.

Learning outcomes:

- Access subject-specific seminars run by HSC markers to refine their exams skills and received personalised advice and responses to questions
- *Benefit* from practice papers and individualised written exam feedback to support their HSC preparation, and gain access to the InspirationED HSC4ME app for further academic support
- *Gain* the opportunity to receive free online tutoring in a subject of choice
- *Connect* with current UNSW students to learn about what university is really like
- *Be supported* by specialised guidance on the application process for early offers to UNSW and access resources for writing an effective personal statement
- *Understand* the alternate pathways and support systems on offer at UNSW

On-campus Days

Run in the first week of July school holidays, UNSW Kensington Campus

The on-campus days offer students an opportunity to immerse themselves in university life. Across the two-day program, they engage in faculty-specific experiences to deepen their interest in degrees and/or areas of study available at UNSW. They’ll also connect with current students, clubs and student services, gaining firsthand insights into the vibrant campus community. A self-guided scavenger hunt and market fair allows students to explore the campus in a creative and exciting way.

Learning outcomes:

- *Participate* in immersive faculty experiences to explore the range of degrees, facilities and teaching available to UNSW students
- *Discover* the UNSW campus and learn about student life through a creative self-guided scavenger hunt
- *Connect* with current students, academics, and university support staff to have all their questions about degree options, support services, and daily life at UNSW answered

Year 11 Gateway Program

Leaders Program

Delivered:

On-campus – Term 1, weeks 7-10

Year 12

Year 11

Year 10

Year 9

The Gateway Leaders Program is a one-day on-campus experience for select Year 11 students who demonstrate leadership capacity.

Students identify their leadership strengths and harness these to make an impact in their schools and communities. They enhance their skills in confident presentation in a practical workshop with Jo O'Reilly, a communication expert with extensive experience at UNSW, AGSM and companies worldwide, and network with other Year 11 students and University Ambassadors.

Learning Outcomes:

- Discover how personal strengths and values can be harnessed for leadership purposes
- Learn to communicate with influence through a practical workshop
- Develop leadership goals and strategies to make an impact in their schools and communities

"I think, even if you aren't planning to go to uni, it's still good to apply through the Gateway Pathway and see if you can meet a reduced ATAR for a course you might be interested in. If you can, well, your options really open up."

Samuel Higelin
South Sydney High School
Bachelor of Criminology and Criminal Justice

Year 11 Gateway Program

Delivered:

In-school – Term 2, weeks 2-8
OpenLearning resources - from Term 2, week 2
Online program – Term 2, week 9
On-campus – First week of July school holidays

During the Year 11 Gateway Program, students discover the different degrees available at UNSW, boost their study skills and subject knowledge for a successful transition to Year 12, understand the Gateway Admission Pathway and Program opportunities and are supported to start planning their written personal statement as part of their application for an early offer to UNSW in 2027.

In-school Workshop

Delivered Term 2, weeks 2-8

The in-school workshop encourages students to reflect on their strengths and values as they envision their future pathways. Guided by current university students, participants gain insight into how the Year 11 Gateway Program can support them to achieve their future study goals.

Learning outcomes:

- Reflect on learning strengths and values, and understand how these can help to make informed decisions about future study plans
- Identify how to access program resources and opportunities that are most relevant to them
- Hear from current university students about how they navigated their transition to university

Year
12

Year
11

Year
10

Year
9

OpenLearning resources

Available from Term 2, week 2

Students gain access to a suite of detailed, interactive resources via OpenLearning that provide subject-specific academic enrichment, opportunities to explore faculties and degrees, and support and advice about the transition to university. The OpenLearning site is co-designed by current students who are available throughout the program for personalised advice, insights and responses to questions.

Online Program

Delivered Term 2, week 9

During the online program, students will prepare for end of year exams and the transition to Year 12 through academically enriching subject-specific workshops led by experienced HSC teachers and markers. Students will also be supported to write their personal statement, a requirement for their Gateway Admission Pathway application.

Learning outcomes:

- Access detailed and interactive content to enhance study skills, explore degree options and enrich subject-specific knowledge to approach end-of-year exams and Year 12 with confidence
- *Be supported* to write a compelling personal statement and understand the UNSW Gateway Admission Pathway
- Enhance study with access to the InspirationED HSC4ME app to further support their academic confidence.
- Gain the opportunity to receive free online tutoring in a subject of choice

On-campus Day

Run in the first week of July school holidays UNSW Kensington Campus

Students come to UNSW campus to engage in interactive faculty-led sessions to explore degrees of interest, participate in subject masterclasses led by experienced HSC markers, and join workshops on leadership and personal storytelling facilitated by current university students.

Learning outcomes:

- *Discover* campus and hear about life at UNSW on a guided tour led by current university students
- *Explore* UNSW faculties and degrees
- *Enhance* critical, creative and leadership skills in workshops that prepare students for Year 12 and beyond
- *Connect* with current university students to hear first-hand about the transition from high school to university

Year 10 Gateway Program

Delivered:

In-school – Term 1, weeks 5-10
On-campus – Term 1, weeks 5-10

Year
12

Year
11

Year
10

Year
9

The Year 10 Gateway Program, designed for motivated students considering post-school learning, offers an in-school workshop and an immersive on-campus experience delivered in collaboration with NIDA. Participants explore future pathways, enhance communication skills, and connect with UNSW alumni to align their values and aptitudes with potential careers.

In-school Workshop

Delivered Term 1, weeks 5-10

The in-school workshop encourages students to think expansively about their future pathways, exploring how personal values can guide informed decision-making and connect students to degrees of interest.

On-campus Day

Delivered Term 1, weeks 5-10

During the on-campus experience, run in collaboration with the National Institute of Dramatic Art (NIDA) students attend workshops where they will gain knowledge of UNSW degrees, learn strategies to develop and present compelling personal narratives, and network with UNSW alumni from a range of fields and industries.

Learning Outcomes:

- *Discover* how values and aptitudes align with UNSW degrees and careers
- *Enhance* communication skills with dramatic techniques
- *Be inspired* by different perspectives, career trajectories and experiences of University Ambassadors and UNSW Alumni

Year 9 Imagined Futures Program

Delivered:

In-school – Term 3, weeks 2,4,6

On-campus - Term 3, week 7

Digital resources – available from Term 4, 2024

“Coming from the South-West of Sydney, Gateway made UNSW seem less scary, more achievable and somewhere that I could possibly get into. It helped make it feel more accessible, like it was an option for me.”

Swasti Subedi
Casula High School
Bachelor of Psychological Science

Year
12

Year
11

Year
10

Year
9

Learning Outcomes

The Imagined Futures program is a curriculum-linked Year 9 English offering for select metro schools. Students are prompted to consider their futures and develop their ability to analyse, evaluate and create persuasive texts, drawing on a range of text types and structures.

This literacy focus is complemented by the development of reflexive practice and metacognitive strategies, fostering greater self-awareness and the ability to navigate their perceptions as learners in preparation for future study.

In-school Program

The in-school program is delivered jointly by English teachers and UNSW University Ambassadors who function as both facilitators and relatable models of future possibilities for students.

Students are prompted to consider their futures, how developments in education, technology and the environment may shape their world in the years to come, and the roles they want to play in shaping the future.

On-campus Days

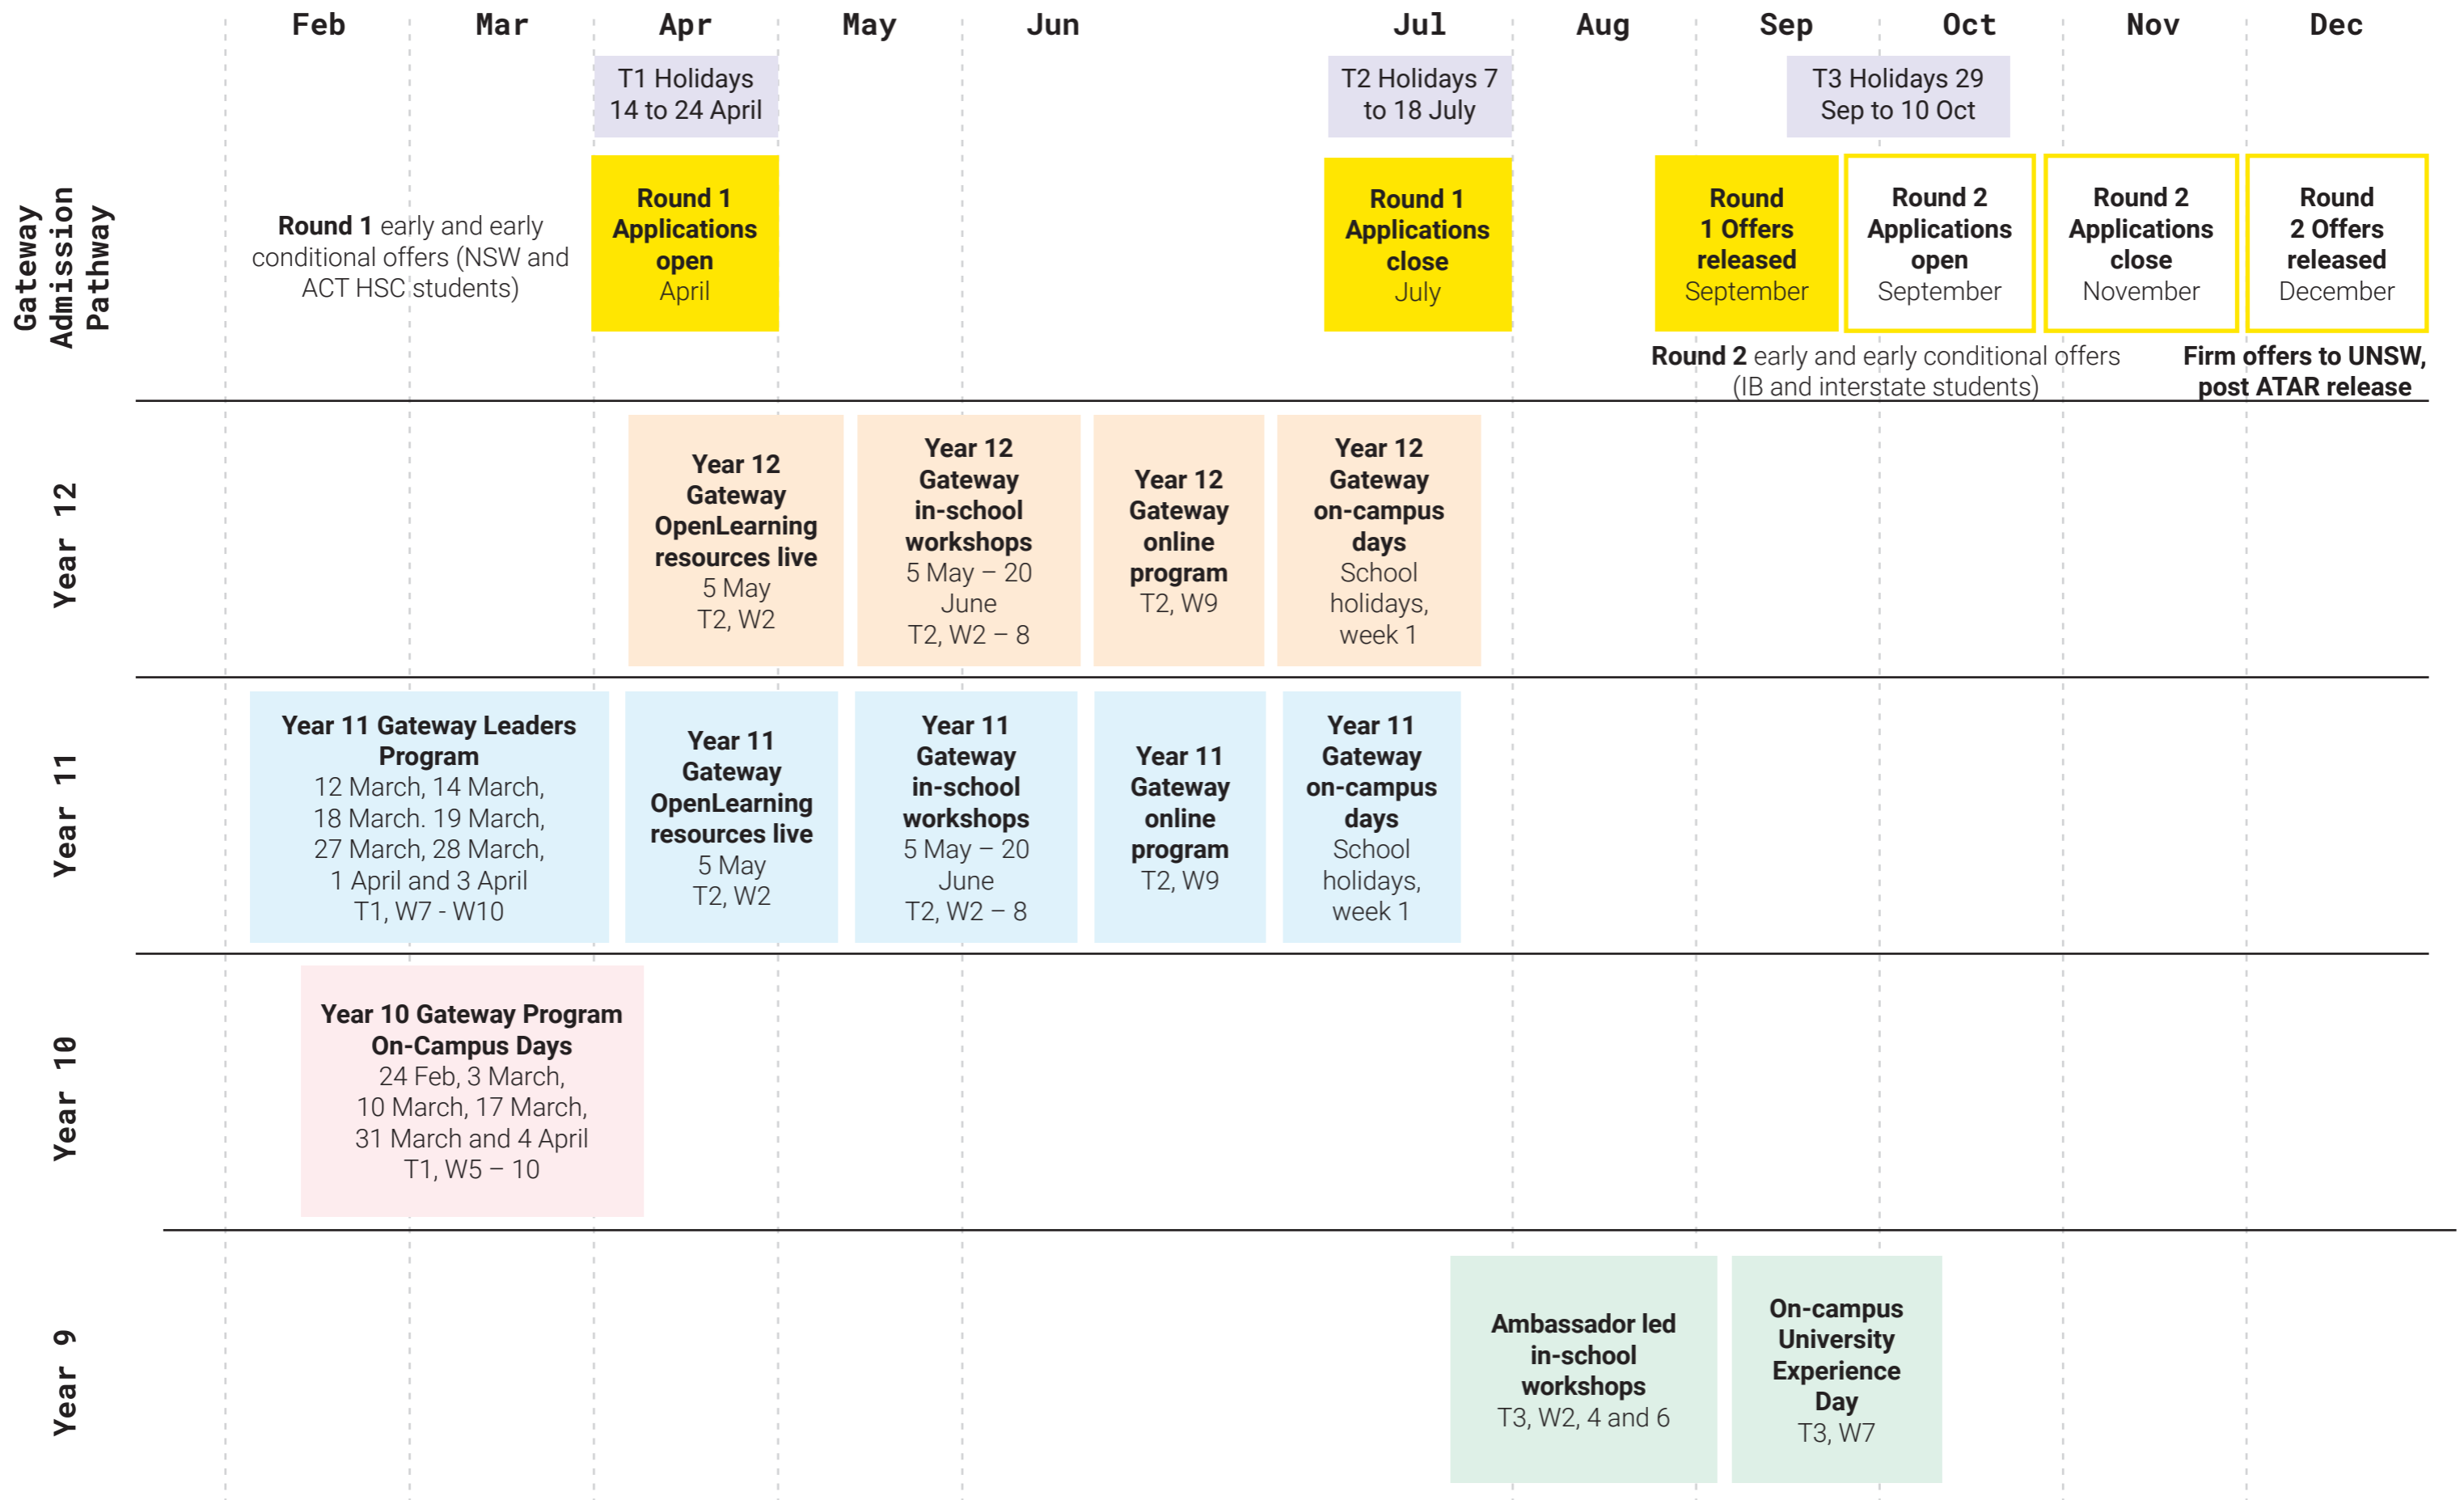

The program culminates in an exciting on-campus day where students participate in skills-building workshops and guided exploration of UNSW to further envision their post-school futures.

Digital Resources

Schools will have access to curriculum-aligned digital lesson plans and resources that leverage the UNSW Imagined Futures webapp, encouraging students to creatively explore imaginative visions of the future. The webapp uses AI technology to generate visual representations based on each student’s unique interests and aspirations for the future.
