

The below is based on one student completing one specialisation. It has taken into account the double counting rules within the program to add up to the total 144 UoC. Due to the double counting rules, all remaining electives below must be from the School of Computer Science.

For more detailed information or for information regarding studying two specialisations, please see the available study plan.

8544 - Information Technology - Artificial Intelligence

Course	UoC	Notes	Complete?
