

Regional Educational Outreach

Years 9 - 12

At UNSW, we are committed to student equity and improving educational outcomes for students underrepresented in higher education.

Our goal of widening access and diversifying the student population through the Gateway Admission Pathway is making steady progress with 19% of our undergraduate cohort coming from under-represented backgrounds. A large factor in the success of our programs comes from the holistic approach we take in supporting students from pre-tertiary outreach through to transition to university and graduate success.

While our pathway provides a small proportion of students with an early offer to UNSW, we are unlike other early offer admission schemes because our program supports success in the HSC and all offers are conditional on students attaining an ATAR. Through our academic enrichment program our key message to students is that success in the HSC sets them up for success in their first year of university.

The UNSW Gateway educational outreach program also extends students' interest in their own learning by linking their values to career choices and focusing on higher-order thinking, metacognition, critical analysis and literacy - all essential for post-school success. This unique set of curriculum-linked learning experiences has an embedded focus on leadership and self-efficacy. It is interactive, experiential and uses innovative technologies to explore the unique context of studying at UNSW.

UNSW ranks first in Australia for employability, meaning students who enter through the Gateway Admission Pathway gain access to expanded career opportunities after they graduate.

We are excited about our UNSW Gateway Admission Pathway and Program offering for 2025 and we look forward to meeting with you and welcoming your staff and students on campus.

Our program is co-facilitated by current UNSW students, most of whom have come through the Gateway Admission Pathway. University Ambassadors serve as powerful role models who demonstrate the opportunities a university education can bring.

"The culture here at the uni and through the Gateway program made me feel wanted as a rural student. It was nice to not be judged on my background. The effort that the uni put in to help me get there, made me want to go to UNSW."

Support at Uni

Scholarships and Awards, Start@UNSW Program, Peer and Academic Support

Students who come to UNSW through the Gateway Admission Pathway are prioritised for UNSW Equity and Accommodation scholarships and access to the Start@UNSW program to support their transition to university. They also have access to free bridging courses, peer mentoring and additional academic support for some subjects.

Gateway Admission Pathway

We know that the
ATAR alone is not
the only measure of
students' academic
potential or success at
university. The Gateway
Admission Pathway is
an alternative entry
to UNSW for eligible
Year 12 students which
provides early entry or
a significantly lower
ATAR entry requirement
for a range of degrees.

Who is eligible?

To be eligible for the Gateway Admission Pathway, students must be:

- · an Australian resident
- completing an Australian Year 12 qualification in the year of application

AND one of the following:

- attend a Gateway school
- live in a low-socioeconomic area based on IRSAD and IEO indexes of SEIFA
- Aboriginal and/or Torres Strait Islander

How does it work?

Students apply through the Gateway portal by submitting a written personal statement that answers three questions about themselves. The applications are assessed based on students' personal statements and Year 11 results. Successful students will receive either an early offer or early conditional offer for their chosen UNSW degree.

What is the difference between an early offer and early conditional offer?

Early offers for UNSW degrees require students to complete the HSC and attain an ATAR (regardless of the result).

Early conditional offers require students to complete the HSC and achieve the Gateway Adjusted ATAR for their chosen UNSW degree.

The Gateway Adjusted ATARs provide students with a significantly lower ATAR than the lowest selection rank. To find the adjusted ATAR for a specific degree visit gateway.unsw.edu.au

When do applications close and when are offers released?

In 2025, there will be two offer rounds for the Gateway Admission Pathway:

Round 1:

Applications open: April 2025 Applications close: July 2025 Offers released: September 2025

Round 2

Applications open: September 2025 Applications close: November 2025 Offers released: December 2025

Firm offers, post ATAR release: December 2025

Please check out our website in early 2025 when specific dates are released.

Ongoing support

Students who come to UNSW through the Gateway Admission Pathway are prioritised for scholarships and receive exclusive access to ongoing academic and transition support.

Complementary outreach opportunities at UNSW Sydney

Students can access further opportunities through the UNSW Future Students team that complement the UNSW Gateway educational outreach programs. Years 10 – 12 can participate in on-campus faculty workshops, campus tours and degree information sessions in-school and online.

"Before I settled into uni I had a little bit of imposter syndrome. But I came to realise that missing a few percentiles on an ATAR doesn't make a difference. In healthcare, the greatest inequities lie in rural and regional areas. Having grown up there, I have the benefit of being able to relate to patients from disadvantaged, regional and rural areas."

"Neither of my parents had been to uni, and the job market in Guyra wasn't thriving. But my idea of creating a better life was "I'm going to uni". It didn't matter how or when. I wanted to be successful and I could see that uni was a pathway to set myself up. That was my main motivation."
