

Redirect notice: Cyber Security and Acceptable Use of Information Resources

On the 18 November 2022 the Vice-Chancellor approved a [Cyber Security Policy](#) and [Acceptable Use of Information Resources Policy](#) supported by two university-wide standards:

- [Cyber Security Standard – Risk Management](#) (UNSW login required)
- [Cyber Security Standard – Data Security](#) (UNSW login required)

The Chief Information Officer approved the supporting Cyber Security Standards on 20 December 2022. These are available on the IT website at: [Cyber Security Policies and Standards](#). zID login is required to access these standards.

The new standards replace IT Security Standard ITSS_01 to ITSS_21 as follows:

Current document	Retired policy/standard (please remove links to these)
Cyber Security Policy	<i>IT Security Policy:</i> https://www.unsw.edu.au/content/dam/pdfs/governance/policy/2022-01-policies/itsecuritypolicy.pdf
Acceptable Use of Information Resources Policy	<ul style="list-style-type: none"> • <i>Acceptable Use of UNSW Information and Communication Technology (ICT) Resources Policy:</i> https://www.unsw.edu.au/content/dam/pdfs/governance/policy/2022-01-policies/ictpolicy.pdf • <i>Acceptable Use of UNSW Information and Communication Technology (ICT) Resources Procedure:</i> https://www.unsw.edu.au/content/dam/pdfs/governance/policy/2022-01-policies/ictprocedure.pdf • <i>ITSS_19 IT Security Standard – IT Acceptable Use, v1.0:</i> https://www.unsw.edu.au/content/dam/pdfs/governance/policy/2022-01-policies/ITSS_19.pdf
