

# Centre for Primary Health Care and Equity Research Priorities Forum

Date: Tuesday 15 November 2022

Time: 9.30am-11.30am

Venue: ONLINE via teams ([click to join meeting](#))

## **2022 Research Priorities Forum - Research Priorities for Central and Eastern Sydney**

The Research Priorities Forum is being hosted by the Centre for Primary Health Care and Equity, UNSW in collaboration with Sydney Local Health District (SLHD), South Eastern Sydney Local Health District (SESLHD) and Central and Eastern Sydney Primary Health Network (CESPHN).

### **Purpose of the day:**

- Build on the Central and Eastern Sydney (CES) primary and community health research priorities identified at previous workshops in 2016 and 2018, 2019 and 2020.
- Highlight existing research using the CES Primary and Community Health Cohort/Resource (CES-P&CH).
- Reflect on and identify CES primary and community health research priorities that could be undertaken over the next 1-3 years using CES-P&CH with/without enhancements.
- Develop a program of work using CES-P&CH for 2023 onwards.

### **Program**

Time	Item
9.30 am	<b>Welcome and Introductions</b> – <i>Prof Mark Harris, Chair</i> <b>Summary of research using CES Primary and Community Health Cohort/Resource</b> - ( <i>A/Prof Margo Barr</i> )
9.40 am	<b>Keynote Presentation</b> – <i>Dr Kerrin Bleicher, Director, Research Assets, Sax Institute</i> The keynote presentation will focus on the 45 and Up Study, enhancements and future plans.
10.00 am	<b>Landscape and partner priorities</b> – <i>presentations from SESLHD, SLHD and CESPHN</i> Presentations on primary health care and integration priorities and current issues.
10.30 am	<i>Morning Tea - including videos presentations on research using the resource from conferences</i>
10.40 am	<b>Research Priorities Identification and Small Group Discussion</b> – <i>Facilitator A/Prof Margo Barr</i> Research themes/topics will be identified and prioritised. Top 6-7 research themes/topics will be discussed in more detail in small groups including if they can be explored using CES-P&CH.
11.20 am	<b>Wrap up and identification of next steps</b> – <i>Prof Mark Harris</i>
11:30 am	<b>End</b>
