

Graduate Diploma in Orientation & Mobility 5420

2025 Commencing Students – Full Time (1 Year)

	Term 1	Term 2	Term 3
Year 1	VISN5511	VISN5521*	VISN5531
	VISN5512*	VISN5522	VISN5523#
	VISN5513	VISN5523#	

NOTES

*Face-to-Face attendance is required at UNSW Sydney campus during 2 technique training teaching blocks in courses VISN5512 and VISN5521:

- 1st block is 2 weeks (T1)
- 2nd block is 3 weeks (T2)

These techniques involve over 80 hours of both blindfold and simulation training, including training at both the UNSW Sydney campus and in home states as required.

Please note that there are some key progression dependencies:

- VISN5512 is a prerequisite for both VISN5521 and VISN5523
- VISN5521 is a prerequisite for VISN5523

Students will need to demonstrate competence in the initial blind mobility skill set and visual strategies, and demonstrate the mechanics of teaching them (practical components in VISN5512 and VISN5521) before commencing their work integrated (WIL) learning placement (VISN5523).

#WIL placements are completed over Terms 2 and 3 as part of “VISN5523 O&M in Practice”. VISN5523 is a multi-term course, and you must enrol in both Terms.

Students are required to complete approximately 20 weeks of work experience including placements in agencies providing O&M services. Up to 175 of these hours will be instructional discipline-specific supervised practice.

Graduate Diploma in Orientation & Mobility 5420

2025 Commencing Students – Part-Time (2 Years)

The program delivery mode is full time, which includes virtual education and mandatory face-to-face practical components.

Part-time study of this program over two years is possible on a case-by-case basis. This study mode must be discussed with and approved by the Program Authority.

	Term 1	Term 2	Term 3
Year 1	VISN5511	VISN5522	VISN5531
	VISN5513		

	Term 1	Term 2	Term 3
Year 2	VISN5512*	VISN5521*	VISN5523 [#]
		VISN5523 [#]
