<b>Abolition:</b>	Chapter III of the by-laws altered at Council meeting 14th September, 1987 (resolution 87/99c)
<b>Administrative history note:</b>	<p>The formation of the Professorial Board was provided for in Chapter III of the by-laws passed by Council on 12th September, 1949 (resolution 5). These stated that "the Professors and Associate Professors in the several Faculties and such other persons as Council may appoint shall form a Board, to be called the Professorial Board" (III, 1). The Board was to be "specially charged with the duty of furthering and co-ordinating the work of Faculties and Departments and of encouraging scholarship and research and of considering the studies and discipline of the University" (III, 4, i). Specifically the Board could consider reports made to it by any faculty, appoint internal and external examiners, prescribe books and details of subjects for lectures, determine the conditions of competition for any post-graduate award, decide all questions of admission ad eundem gradum and advanced standing and submit recommendations to Council regarding teaching staff and academic standing (III, 4, ii). As well, any member of the Professorial Board was given the power to suspend any student, as long as the misconduct occurred in the Department or presence of the member (III, 5, a). The by-laws also dictated that the first Chairman of the Professorial Board would be elected in May, 1950 (III, 2). Meetings would be held at the discretion of the Chairman or at the written request of the President, Director or three members of the Board (III, 6, a).</p> <p>At the 13th March, 1950 meeting of Council it was determined that "until July, 1950, the professors already appointed should act as a committee with authority to consider all matters which, in accordance with the provision of Chapter III of the By-laws (the Professorial Board), shall be within the jurisdiction of the Professorial Board when constituted" (resolution 40ii). The first meeting of Professorial staff had in fact already taken place on 1st February, 1950, with Director A. Denning as Chairman, and meetings were held generally on a weekly basis until the end of June. Under the provision in the by-laws, on 31st May, 1950 Denning was formally elected as Chairman of the Professorial Board. The first committees of the Professorial Board were determined at the Professorial Committee's meeting on 6th June, 1950. These were Buildings &amp; Sites, Equipment &amp; Supplies, Research, Graduate School &amp; Post-Graduate Studies, Publications &amp; Library, Academic Studies &amp; Standards and Staff &amp; Students.</p> <p>The Professorial Board held its first official meeting on 4th July, 1950. At this meeting, the membership of the first seven committees named by the Professorial Committee on the 6th June was finalised. By the time of the last meeting of the Board on 7th June, 1988, approximately eighty committees had come and gone throughout the Board's existence.</p> <p>At the 14th September, 1987 meeting of Council changes to Chapter III of the by-laws were passed (resolution 87/99c). As a result, effective July 1988, the Professorial Board ceased to exist and the Academic Board was established in its place.</p>
