

Invitation

The organisers invite your participation in the twenty-eighth of this series of conferences on the general topic of heterocyclic chemistry. The conference topic is interpreted in the widest sense to include natural products and covering synthetic, organometallic, pharmacological, stereochemical and commercial aspects. Contributions in the form of posters are sought in any of these areas.

Conference Venue

The 2019 conference venue is Peppers Manor House, Moss Vale, a small and intimate country house hotel, set in 185 acres of gardens and pastureland on the outskirts of Moss Vale. The estate is situated in the Southern Highlands of New South Wales, and is located adjacent to the Mount Broughton Golf and Country Club. Accommodation and food are of a high standard and patrons will enjoy relaxing in the library or strolling in the manicured gardens. Leisure facilities include walking, swimming, tennis, mountain biking, croquet and volley ball, in addition to golf and the New Look Affinity spa. The hotel is close to many tourist attractions in the region, including the thriving craft and antiques shops, coffee shops, the renowned Bradman Museum of Cricket, the Loft and Sturt Galleries, or nearby Mt Broughton Lookout or Fitzroy Falls.

Registration

Please return the accompanying Registration Form electronically or in hard copy by **28 June 2019** to:

Hon Associate Professor Roger W. Read

THE NEW SOUTH WALES

SOUTHERN HIGHLANDS CONFERENCE

....ON HETEROCYCLIC CHEMISTRY

Peppers Manor House Moss Vale

25 – 27 August 2019

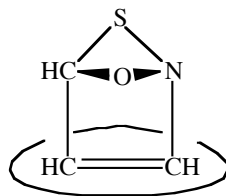

General Information

The meeting will be a 2 day fully residential conference, restricted to a total of 50 participants.

The format will consist of national and international plenary lectures, two invited student lectures, and a continuous poster session with presentations by any participant. There will be ample time for discussion in a relaxed atmosphere.

It is a prime intention of the conference to provide the maximum opportunity for interaction between chemists from industry, universities and government organisations. There will be no publication of abstracts or proceedings.

THE NEW SOUTH WALES

SOUTHERN HIGHLANDS CONFERENCE

...ON HETEROCYCLIC CHEMISTRY

ABN 81 747 687 337

Travel Information

Travel to Moss Vale is best by road or rail. Plan to arrive mid afternoon in time for the opening plenary lecture at 3.30pm.

If travelling by car from Sydney, turn off the Hume Highway at Mittagong (about 75 minutes). Proceed to Bowral, approximately 8 km from the traffic lights at Mittagong. We recommend you take the road through the village and continue straight ahead along Argyle Road to Moss Vale. Immediately prior to Moss Vale you will approach a roundabout. Continue through roundabout towards Moss Vale and Goulburn along the Illawarra Highway. It is 4.3 km from this roundabout to Katers Road, where you take a left turn and drive to the entrance of Peppers Manor House.

From Melbourne or Canberra, leave the Hume Highway at the Illawarra Highway turn off to Moss Vale. Proceed through Sutton Forrest, towards Moss Vale, and watch carefully for the right turn off to Peppers estate.

Trains run from Sydney's Central Station to Moss Vale (a) via the T2 Airport, Inner West and South Line, with a change to the Southern Highlands Line at Macarthur Station, or (b) directly on the Southern NSW Line. Transport from Moss Vale station to the hotel (6 km) can be arranged if rail travellers mark their registration form accordingly. Alternatively, taxis are available.

Conference Cost

Total cost, \$AUS750.00, includes registration, and full board in twin share accommodation. Payment **must** be made by **28 June 2019** (cheques payable to Southern Highlands Conference, or preferably payment by direct deposit: Southern Highlands Conference; Commonwealth Bank, UNSW Branch; 06 2303 1057 4142).

We regret that credit card payments cannot be accepted.

Programme

Proceedings will begin at 3.30 pm on Sunday with afternoon tea and the first two plenary lectures, and conclude at about 3.30 pm on Tuesday afternoon.

Programme:

Sunday	afternoon	lectures
	evening	free for discussion
	Monday	morning
Monday	afternoon	free for discussion
	late afternoon	lectures
	evening	formal poster session
Tuesday	morning	lectures
	early afternoon	lectures

Postgraduate student awards

In order to encourage student participation and to reward excellence in chemistry, two cash awards, each of \$375, have been created and will be made to senior postgraduate students from any Australian university. Awardees will be invited to present a lecture on their research work at the conference. Nominations for the awards must be made in writing with a cv, letter of recommendation and A4 abstract to Professor David Black, UNSW, at the registration address by **17 June 2019**.

Poster prizes will also be awarded.

Please return the accompanying Registration Form electronically or in hard copy by **28 June 2019** to:
