Program Structure			
Medical Science	114 UoC (19 courses)	120 UoC	**144 UoC**
Science Electives	6 UoC (1 course)		
Free Electives	12 UoC (2 courses)	24 UoC	
General Education	12 UoC (2 courses)		

Information correct for students commencing the Bachelor of Medical Science in 2019

Please Note: Term offerings are subject to change, please check the timetable prior to planning for your enrolment.

*SCIF1111 should be taken in T1 instead if SCIF1131. SCIF1111 should only be replaced by SCIF1131 in Term 3, if you are unable to take SCIF1111 in Term 1.

You are not required to choose a major for this program but if you choose to do a major, you will need to select the appropriate Directed Electives in your third year. Please see the handbook for the list of available majors and Directed Electives.

https://www.handbook.unsw.edu.au/undergraduate/programs/2019/3991

Science Electives are courses taken from within the Faculty of Science, as defined within the Online Handbook.

Free Electives may be from Science or from any other Faculty at UNSW (excluding GENxxxxx courses).

General Education courses cannot be Science or Medicine courses, and Medical Science students cannot take GENS or GENM courses in their degree.
