

Standard UNSW MPsych(Clin) Progression Plan

- The standard progression plan provides an overview of the typical workload across the 2-year MPsych(Clin) program. There would be some changes to these hours from year-to-year although the plan provides a good estimate of the contact hours associated with the various stages of the program.
- Please note that given the professional nature of the program, classes and placement work will occur outside the standard university term dates (during term break, O week and flex week).
- All program hours stated are estimates and includes only class and placement hours. These hours do NOT include time for completion of course assignments, reading, out-of-class tasks, client work preparation, report writing and other placement related admin duties.
- Any questions associated with the progression plan should be directed to A/Prof Chien Gooi (Program Director).

MASTER OF PSYCHOLOGY (CLINICAL)

NB Clinic/coursework time is defined as including class time, direct client time, supervision and formal meetings; does not include time for completion of course assignments, client preparation, report writing and other placement related admin duties.

YR 1*

T1: Feb to May

T2: June to Aug

T3: Sept to Dec

COURSEWORK

Tuesdays:
9am-12noon PSYC7212
ACCP1 (+ some Wed)

4-7pm PSYC7001 Psych
Assessment

Selected Mon/Thursdays:
PSYC7223 PEP1 workshops
(half or full days)

CLINIC

PEP1 PSYC7223
In clinic: Observation requires
flexible schedule (from mid-
March) + weekly clinic
meetings Wed 2-4.30pm
+ mindfulness group
Tues 2-3.30pm
~2.5 days per week

RESEARCH

Research thesis supervisor
assigned
**~0.5 non-clinic/coursework
days per week**

COURSEWORK

Mondays:
10am-12pm PSYC7221 ECP
1-4pm PSYC7204 ACCP2

Tuesdays:
10am-12pm PSYC7221 ECP

Selected Thursdays Full Days:
PSYC7224 PEP2 workshops

O Week (Specific Days TBC):
PSYC7221 ECP
Workshops (approx late May)

CLINIC

PEP2 PSYC7224
In clinic: Direct client work,
supervision & meetings
(Wednesdays)
~2.5-3 days per week

**~0.5 non-clinic/coursework
days per week**

COURSEWORK

Mondays:
10am-12pm PSYC7210
Neuropsychology

Tuesdays:
10am-12pm PSYC7210
Neuropsychology

**Selected Thursdays Full
Days:**
PSYC7233 PEP3 workshops

CLINIC

PEP3 PSYC7233
In clinic
~2.5-3 days per week

RESEARCH

Attend Forensic/Clinical
Conference mid-
late October

**~0.5 non-
clinic/coursework days
per week**

YR 2*

T1: Feb to May

T2: June to Aug

T3: Sept to Dec

COURSEWORK

Workshops PSYC7222:
Advanced Topics in Clinical
Psychology workshops
(various days; approx
Feb/Mar)

CLINIC & EXTERNAL

PEP4 PSYC7234
Clinic (2-2.5 days per week) +
External Placement (2 days
per week starting Jan/Feb)

RESEARCH

PSYC7230 Thesis 1
Review of literature, develop
clear research project and
obtain ethics approval

**~0.5-1 non-clinic/coursework
days per week**

COURSEWORK

Mondays:
2-4pm PSYC7220 Health
Psychology
Workshop Block:
PSYC7235 PEP5 workshops
(approx May/June)

CLINIC & EXTERNAL

PEP5 PSYC7235
External Placement
One (started since PEP4; 2
days per week; complete by
late June)
External Placement Two (2
days per week starting July;
carry forward till PEP6)

RESEARCH

PSYC7231 Thesis 2: Complete bulk of data collection and
undertake preliminary data analysis
First half: **~0.5 non-clinic/coursework days per week**
Second half: **~3 non-clinic/coursework days per week**

COURSEWORK

Single Workshop:
PSYC7236 Final PEP6
workshop around early Nov

EXTERNAL

PEP6 PSYC7236
External Placement only
(2 days per week;
complete by late Dec)

RESEARCH

PSYC7232 Thesis 3: Submit research thesis which includes
literature review, description of research methodology,
summary of results and discussion of findings
Thesis due mid-October (Week 5)
Present at Forensic/Clinical Conference mid-late October

*Candidates are to be enrolled in PSYC7777 throughout their 2-year candidature (incl the summer term) to cover all placement related activities outside standard term dates.

Standard UNSW Combined MPsych(Clin)/PhD Progression Plan

- The standard progression plan provides an overview of the typical workload across the 4-year combined program. There would be some changes to these hours from year-to-year although the plan provides a good estimate of the contact hours associated with the various stages of the program.
- Please note that given the professional nature of the program, classes and placement work will occur outside the standard university term dates (during term break, O week and flex week).
- All program hours stated are estimates and includes only class and placement hours. These hours do NOT include time for completion of course assignments, reading, out-of-class tasks, client work preparation, report writing and other placement related admin duties.
- Any questions associated with the progression plan should be directed to Prof Michelle Moulds (Combined Program Coordinator) or A/Prof Chien Gooi (Clinical Program Director).

PhD/MASTER OF PSYCHOLOGY (CLINICAL)

NB Clinic/coursework time is defined as including class time, direct client time, supervision and formal meetings; does not include time for completion of course assignments, client preparation, report writing and other placement related admin duties.
