

UNSW School of Education Riverina

Live, work and study in the beautiful and thriving Riverina region of NSW.

Be immersed in the Riverina Education community from the commencement of your journey to becoming a school teacher and become part of a unique cohort of educators, all within your local area.

UNSW
SYDNEY

The Program

- Obtain your teaching qualification with UNSW, a top-ranking university from the Riverina.**
- Opportunity to work part-time and earn a salary as a paraprofessional teacher in a Riverina local school while studying.*
- Unique wrap-around support from the local Education community in the Riverina from the UNSW School of Education Riverina, local partner schools, student mentors and supervising teachers from the commencement of your application to UNSW.
- Ability to attend unique face-to-face seminars tailored to UNSW School of Education Riverina students facilitated by UNSW academics throughout the year.
- Access to local UNSW facilities in the Riverina located in Wagga Wagga, Albury and Griffith.
- Potential offers of a permanent position at a Riverina local school upon completion of degree.*
- Open to school leavers and career changers with Bachelor and Master programs available.

*Paraprofessional and permanent teaching positions will be based on availability and subject to an application process with partner schools. These positions will only be open to UNSW School of Education Riverina students.

**19th in the 2025 QS World University Rankings
