## School of Education

### Riverina

## School Partnerships

Partner with UNSW, a world class university, in supporting school communities and teachers in the Riverina.\*

### School Partner Opportunities

- Become part of a Riverina cluster of UNSW Initial Teacher Education students, UNSW academics and staff and other school partners to form a community-based group in Education.
- Be supported by the UNSW School of Education Riverina and its Regional Director.
- Employ local UNSW Initial Teacher Education students as paraprofessionals while they study locally with UNSW. This provides on the ground training leading to career-ready teachers immersed in your school community from the very beginning.
- Host Teacher Education students for their professional experience placements. Our teaching degrees are practice-oriented, with learning in schools from the first term.
- Access high performing, career-ready UNSW educated students upon graduation for teaching positions in your school.
- Receive tailored support from UNSW for paraprofessional teachers, Teacher Education students and their mentors.
- Access quality mentor training and support for supervising teachers.
- Engage in professional learning and research opportunities with UNSW.
- Join face-to-face seminars held by UNSW local staff and Sydney based academics in the Riverina to support the UNSW Riverina students and school partners.

\*19th in the 2025 QS World University Rankings

## Study options

Potential students available to schools for paraprofessional placement will be undergoing the following courses of study:

- Bachelor of Education (Primary) (Honours)
- Bachelor of Arts/Education (Secondary)
- Bachelor of Science/Education (Secondary)
- Bachelor of Commerce/Education (Secondary)
- Bachelor of Economics/Education (Secondary)
- Master of Teaching (Primary)
- Master of Teaching (Secondary)

## School Partner Commitment

- Provide an opportunity for UNSW Initial Teacher Education students to be employed in a paid paraprofessional role at a minimum of 0.20 FTE.
- Host UNSW students in their Work Integrated Learning Placements.
- Provide a mentor/supervising teacher for paraprofessional teachers and students on placement.
- Be supportive of UNSW students immersed in the school community.
- Offer flexibility for hosted UNSW students during the exam period and compulsory components required in their program of study.

## Expression of interest

Complete the form using the QR Code or please contact the UNSW School of Education Riverina to discuss opportunities and to organise a meeting with our Regional Director.
