Bachelor of Economics 3543

Program Planning for 2015 Commencing Students

Never Stand Still | Business School

Terminology	Definition
Program compulsory core courses	Courses which students must complete under their enrolled degree e.g. Bachelor of Economics 3543
Economics Major	Students must complete at least one major in Economics, Econometrics or Financial Economics consisting of 60UOC. The 60UOC includes 36UOC from the compulsory first and second year core courses. (ACCT1501 and ECON1401 do not count towards an Economics major.) Students must complete at least three (3) level 3 courses (numbered 3XXX).
Economics Elective	Account for 12UOC (2 courses) from the School of Economics to ensure a student completes a minimum of 84UOC of Economics courses within the School of Economics.
Free Electives or **Second major or** **Minor**	Account for 48UOC (8 courses). Students are free to use these UOC to complete courses from any Faculty however they need to be mindful of the program limit on Level 1 courses (60UOC) when making their selection. GEN courses cannot count as Free electives. Students can choose to use the free electives to complete a second major or minor (if applicable) from the list of approved Economics majors, approved UNSW Business School majors or from the list of approved majors from other Faculties. Courses cannot double count in two majors.
General Education	Account for 12UOC (2 courses) and are to be taken outside the UNSW Business School. Please note that students enrolled in programs within the UNSW Business School cannot take General Education courses offered by the UNSW Business School (i.e. GENC code). These restrictions also apply to the following courses: GENL2015 The World of Work; GENL2021 An Introduction to the Australian Legal System; GENL2032 Cyberspace Law 2.0; GENL5021 Business Law Basics. View the list of General Education courses here: http://www.handbook.unsw.edu.au/vbook2015/brGenEdByFaculty.jsp

Please refer to the 2015 Online Handbook for the program and major rules:
http://www.handbook.unsw.edu.au/undergraduate/programs/2015/3543.html

- **Students must complete at least one major in Economics, Econometrics or Financial Economics.**
- Overlapping requirements: If you choose to do two Economics majors that have overlapping compulsory core courses, you do not need to complete them twice. However, if the two Economics majors have overlapping compulsory major specific courses, then you should only count the major specific course towards one Economics major and choose to do a major elective course of the same level in the other Economics major. Please consult the Business School Student Centre if you have any further questions.
- Visit the website below to view the list of professional recognition requirements: http://www.handbook.unsw.edu.au/faculties/2015/comm/ProfRecognitionUG.html . As professional accreditation requirements do change from time to time, you are advised to contact the individual organisation concerned for current requirements.
